

CULTURAL CAPITAL CURRICULUM MAP WASHACRE PRIMARY SCHOOL

Washacre Primary School develops the Cultural Capital of its pupil through a wide and varied programme of activities including:

- Residential visits
- In school visitors
- Additional blocked curriculum activities
- Off site visits
- Clubs including sports teams
- Engagement with parents

**(additional events and activities will be added as opportunities arise)*

Purpose or aims of all the activities listed below:

- Opportunities for pupils develop self-confidence, independence, resilience and self-esteem beyond the academic subjects;
- To promote 'staying safe' and ensure children are well prepared for the next phase of their Education given the contextual challenges of the locality;
- Develop the 'cultural capital' of children, the awe and wonder (wow moments) of learning and consolidate skills and knowledge;
- To equip children with the skills to develop into a global citizen;
- Give learning a context;
- Provide children with 'first hand' experiences of British culture and values;
- To make links with the local community;
- To help prepare children for the next phase of their education;
- To extend links with communities beyond the locality (that are different demographically) to promote tolerance and understanding of other cultures.
